

## TEN-YEAR-OLD BOY KILLED BY OVER-TURNED WAGON

### TURN OF CORNER THREW HIM FATALLY

Son of Ray Billingsley Died An  
Hour After Accident Yes-  
terday Afternoon

### PARENTS IN EAST TRIP TO OLD HOME

Lad's Brothers Carry Him Into  
House—Skull Crushed  
Under Wagon

Minard, youngest son of At-  
torney and Mrs. Ray Billings-  
ley of Villa Park, pioneer resi-  
dents of this valley, was killed  
yesterday afternoon by the turn-  
ing over of a wagon upon him.  
His skull was crushed in the  
accident, and he lived but a lit-  
tle over an hour. The little  
fellow's father and mother  
have been in Iowa for several  
weeks visiting old friends at  
their former home at Iowa City,  
and had expected to return  
here about July 20. They have  
been telegraphed, and the re-  
mains of their boy will be held  
until they arrive.

Minard with his brothers, Patter-  
son, Harlow and Carey, had been at  
work yesterday in the apricots. Min-  
ard drove in a light wagon, to which  
a mule was hitched, from the house  
down the driveway, which is some-  
what of an incline, toward the main  
road that runs along the west side of  
the Billingsley ranch at the edge of  
the foothills.

While no one saw the accident, it  
is thought that the boy let the mule  
travel too rapidly down the driveway,  
and on reaching the road turned too  
short. At any rate, at the driveway,  
the wagon overturned, and the boy  
was caught between it and the ground.  
He was left unconscious.

Mrs. Brown, a neighbor, hearing the  
crash, ran to the place, and saw what  
had happened. She called the boy's  
three brothers, and they carried him  
into the house and summoned a phy-  
sician. Minard's skull was broken,  
and there was no hope that he could  
survive.

Minard was ten years old last Sep-  
tember. At the home at Villa Park  
now are the three brothers and the  
two sisters, Mrs. Helen Flinham and

## FRANK SKELLY MAY GO INTO VOLUNTARY BANKRUPTCY

There is a possibility that Frank  
Skelly, now in jail awaiting trial on  
a charge of murdering his wife at  
Westminster, may go into voluntary  
bankruptcy. His attorneys have been  
considering taking this step.

This information is particularly  
pertinent when it is remembered  
that Sheriff Lacy has set July 5 as  
the day for the auctioning of the lum-  
ber yard at Westminster to satisfy  
three judgments against Skelly, ag-  
gregating nearly \$2000. Those hold-  
ing the judgments, in the order of  
their attachments, are the Westmin-  
ster Odd Fellows lodge, the San Pedro  
Lumber Co. and the First National  
Bank of Santa Ana.

Skelly is said to have a number of  
unsecured debts. T. J. Lewis, father

Miss Hester Billingsley, and an aunt,  
Mrs. M. V. Harwood of Los Angeles,  
and her son. The remains were  
brought to S. W. Smith & Son's par-  
lors last night.

### TAFT GREETED AT SUMMER CAPITAL BY WAVING FLAGS

BEVERLY, Mass., June 29.—Presi-  
dent Taft arrived shortly before noon  
and was met at the station by mem-  
bers of his family and went to his sum-  
mer home in a Burgess Point auto-  
mobile. The village was gay with  
American flags which will be raised  
at sunrise daily during the president's  
visit.

**Slept Through Boston**  
BOSTON, June 29.—President Taft  
arrived here enroute to the summer  
capital at Beverly. He was asleep  
when the car reached here and did not  
wake. He had planned to visit Michael  
Thistwolia, the Italian laborer whose  
skull was fractured when he was  
struck by Robert Taft's automobile.  
Thistwolia was reported as improved  
today and has a chance of recovery.

### ITALY DEMANDS CHARLTON'S RETURN

ROME, June 29.—The foreign min-  
ister today decided to demand of Am-  
erica the extradition of Porter Char-  
lton to face trial for the murder of his  
wife, Mary Scott Castle Charlton,  
whose body was found in a trunk sunk  
in Lake Como.

### THREE DIE; NINE WERE INJURED

Freight Engine on B. & O. Rail-  
way Run Down Carpen-  
ters Gang

BALTIMORE, June 29.—Three were  
killed, three fatally and three serious-  
ly injured, when a freight engine of  
the Baltimore & Ohio railroad ran  
down a gang of carpenters crossing a  
trestle near here. The men were far  
from the trestle approaches and had  
no chance to save themselves.

### MRS. SHERMAN SAID TO BE RECOVERING

BALTIMORE, June 29.—Mrs. James  
S. Sherman wife of the vice president,  
who is seriously ill at John Hopkins  
hospital, is reported as recovering.  
The nature of the disease has not  
been announced but it is believed to  
be nervous prostration.

### THREE PASSENGERS OF AIR SHIP INJURED IN WRECK

BERLIN, June 29.—It was learned  
today that three passengers of the  
aerial liner "Deutschland" were in-  
jured when the craft was wrecked at  
Iberg yesterday. The wreckage has  
been shipped to Frederichshafen. The  
airship is badly damaged. It cost  
\$300,000.

of the woman who is dead, is surety  
on one note for \$4500, which is se-  
cured by a mortgage on property at  
Bay City.

Just what effect the bankruptcy pe-  
tition would have upon the three  
judgments and the sheriff's sale  
seems to have been the subject of  
some concern on the part of those in  
whose favor the judgments are en-  
tered. They are said to be confident  
that bankruptcy proceedings will not  
be undertaken at this time.

Some effort has been made to get  
the creditors together.

Skelly has a contract for building  
a schoolhouse in Los Angeles. Slias  
Wright, who is on Skelly's bond for  
the completion of the building, and  
Foreman Lossing are looking after  
the work.

## BROWN JURY ENDS IN DISAGREEMENT

Jurymen Refused to Tell How  
They Stood—Rumor Said 8  
to 4 for Conviction

CHICAGO, June 29.—After deliber-  
ating one hundred and fifteen  
hours, the jury in the case of Lee  
O'Neill Brown, charged with bribery  
in connection with the election of  
Senator Lorimer, reported today it  
could not agree and was discharged  
by Judge McSureley.

When Judge McSureley called the  
jurors he asked if there was any  
chance for a verdict. The jurors an-  
swered in unison, "There is none."  
The Court urged them to attempt to  
agree. They replied that there was  
no chance. Judge McSureley then dis-  
charged them. He said:

"That was a most peculiar jury.  
They said they had agreed not to tell  
how they stood. They refused to tell  
me anything."

It is reported the jury stood eight  
to four for conviction from the start.  
Brown left the courtroom when the  
jury was dismissed and refused to  
make a statement.

Charles Spar, juror, confirmed the  
report that the jury stood eight to  
four for conviction, but denied that  
two jurors engaged in a fist fight.

### DEATHS RESULTED FROM CLOUDBURST

Four Bodies Recovered—Dam-  
age Great to Property  
and to Crops

SAILORSVILLE, Ky., June 29.—  
Seven bodies have been recovered and  
efforts are being made to ascertain  
the number of fatalities as the result  
of a cloudburst in Floyd, Knott and  
Mogoffin counties this week, resulting  
in immense crop and property dam-  
age.

**Ravage Was Widespread**  
SAYLORSVILLE, Ky., June 29.—  
Latest reports from the flooded dis-  
tricts state that thirty houses, many  
barns and several railroad bridges  
over Middle Creek were wrecked by  
floating debris. The body of a woman  
was seen floating in the stream at  
Paintersville. The creek is lined with  
guards looking for corpses.

### STATISTICIAN'S TALK EXPENSIVE

Edward S. Holmes Liable for  
\$5000 Fine for "Leak"  
on Cotton Report

WASHINGTON, June 29.—Edward  
S. Holmes, the statistician in the de-  
partment of agriculture, today plead-  
ed guilty to the charge of allowing in-  
formation in regard to the cotton re-  
port issued by the government to  
"leak." The penalty is a fine of \$5000.

### HE DID EVERYTHING BUT PAY THE CLERK

William Walter Felgate came very  
near making an awful mistake to-  
day. He all but took out a marriage  
license here expecting it to be used  
in Los Angeles county. The affidavit  
was sworn to and Deputy Clerk  
Burke was well on toward putting  
the seal on the big document when  
Felgate learned that Santa Ana is  
in Orange county and that a license  
issued here was worthless for cere-  
mony in Los Angeles county. So  
Felgate backed up, kept his \$2 and  
went his way to Los Angeles. He  
gave his age as 38, residence Sierra  
Madre, and the woman as Christine  
Lindstrom, aged 25, of Los Angeles.

**EPISCOPAL BISHOP DIES**  
BEVERLY, Mass., June 29.—Bishop  
William McVicker, head of the Epis-  
copal church in Rhode Island, died  
here yesterday, in his summer home.  
He had been an invalid for a year.  
His home was in Providence.

SENATOR DANIEL HAS  
THIRD PARALYTIC STROKE  
LYNCHBURG, Va., June 29.—  
United States Senator John  
Daniel sustained a cerebral  
hemorrhage today, causing a  
third paralytic stroke. It is  
feared he cannot live more  
than twenty-four hours. Dr.  
Waugh, his physician, says  
there is no hope of recovery.

## EMPLOYERS RUMORED ABOUT TO CAPITULATE

Metal Strikers and McCan Company  
May Agree—Good Government Said  
To Be Promoting Peace

LOS ANGELES, June 29.—Stuart  
Reid, organizer of the striking metal  
workers declared today that the Mc-  
Can Mechanical Works had capitulat-  
ed to the strikers and will take back  
the men granting all demands. It is  
rumored a prominent business man is  
trying to arrange a conference be-  
tween the strike leaders and their  
employers in hopes of ending the  
strike.

## RATES LOWERED IN WEST AND ON COAST

But Action of Interstate Com-  
mission is Delayed by  
Railroads

WASHINGTON, June 29.—The  
Interstate Commerce Commission has  
reduced the rate on shipments  
of oranges, lemons and other  
fruits from California points to  
one dollar.

**Railroads Delay Action**  
WASHINGTON, June 29.—The In-  
terstate Commerce Commission has  
ordered reductions averaging twenty-  
five per cent on transcontinental  
freight rates. The largest reductions  
are effective in territory between the  
Pacific Coast and the Missouri river.

Following the decision of the com-  
mission, the railroads interested filed  
a petition for the rehearing of the  
Missouri River cases in the Supreme  
Court. The petition acts as a stay  
on the action of the commission, until  
October, when the petition will be  
considered by the Supreme Court.

WASHINGTON, June 29.—A reduc-  
tion in passenger rates made by the  
Commission included a reduction be-  
tween Los Angeles and Salt Lake and  
Provo to \$25; between Los Angeles  
and Oregon state line points to \$20.16.

## NOW HE HAS THEM WHAT IS HE GOING TO DO WITH THEM?

Charles Quintana of Tustin is at the  
courthouse this afternoon seeking the  
district attorney's office for advice as  
to what he should do. Sunday night  
Quintana's daughter, Estella, aged 17,  
disappeared, and Quintana was cer-  
tain she had gone away with Manuel  
Rodriguez, aged 22, of Tustin.

County Clerks all over this end of  
the state were warned not to issue a  
marriage license to them. Quintana  
went to Los Angeles seeking the cou-  
ple. He returned baffled.

Last night Rodriguez and the girl  
returned to Tustin, and Quintana  
wants to know what he ought to do.

**WEATHER FORECAST**

ate west wind.

## LOCAL OFFICERS HELP IN HUNT FOR NEGRO MURDERER

Officers in this county have been on  
the hunt today for a light colored ne-  
gro, aged 22, believed to have mur-  
dered a negro in Los Angeles last  
night about 11 o'clock. The murdered  
man was shot in the back on Ninth  
street near Mateo. The first man to  
him heard him gasp "Al Young." The  
murdered man had two rocks in his  
pocket.

Last night the city officers received  
a telephone message from Los An-  
geles telling of the murder. An en-  
gineer on a night Santa Fe reported  
to the officers here that at 2 o'clock

Another rumor says the good gov-  
ernment party with which the labor  
vote has always affiliated is behind  
the plan fearing inroads from the re-  
cently organized labor party.

Despite court injunctions the pick-  
ets continued on duty today. The  
leaders say they have an official per-  
mit for a parade which will be held  
late this week. They claim they see  
signs of weakening on the part of the  
employers.

## COL. ROOSEVELT IS CENTRAL FIGURE

Harvard Welcomed Former  
President—Degrees for  
Prominent Men

CAMBRIDGE, June 29.—Colonel  
Roosevelt was the central figure  
among eight hundred Harvard gradu-  
ates at commencement today. He  
greeted scores of classmates. Tonight  
he will be the guest of President Low-  
ell.

The presentation of diplomas to the  
largest class in Harvard's history oc-  
curred at 10 this morning in Sanders  
Theatre. Senators Crane, Lodge, Gov-  
ers and Draper of Massachusetts, Gov.  
Hughes of New York, Mayor Fitzger-  
ald of Boston and Henry Van Dyke  
were present.

Contrary to expectations no degree  
was conferred on Col. Roosevelt. The  
degree of doctor was conferred on  
Gov. Hughes of New York, J. Pierpont  
Morgan and Ambassador Porter.

## "THE WAGES OF SIN IS DEATH"—TWO DIE

Dying Words of Murderer and  
Suicide Told the Sad  
Old Story

CHICAGO, June 29.—A man giving  
his name as William Thompson shot  
and killed a woman whom he had reg-  
istered as his wife at the Leland hotel,  
then suicided. He left the following  
note:

"God have mercy for what I have  
done. She has broken my heart. I  
tried to make a good girl of her; it  
can not be done. We will end it all  
together. The wages of sin is death.  
If there is any love in the heart of  
the public, please bury us together."

## "FIGHT CRAZY" RENO MECCA OF SPORTS

Carloads Leave Chicago—The  
Town "Wide Open"—Gam-  
bling Flourishes

(By Max Balthasar)  
MOANA SPRINGS TRAINING  
CAMP, June 29.—Jeffries' condition  
is causing his trainers anxiety. Ber-  
ger admitted that Jeffries had a  
touch of stomach trouble, and is  
bothered by inflammation of the  
right elbow. The doctors will exam-  
ine the elbow today. Otherwise Jeff  
is apparently in good shape. Thou-  
sands journeyed to the camp today  
in the hope of seeing him in action.

(By Tip Wright)  
RICKS TRAINING CAMP, June 29.  
—Every effort is being made to  
keep Johnson from worrying over the  
coming battle. The entire camp at-  
tended a ball game today which  
Johnson umpired. Mock trials, with  
Jack presiding as judge, occupy the  
evenings and music and banter pass  
away the intervening time. The  
fight seems farthest from the minds  
of the trainers and the champion  
himself.

Opinion is divided as to Johnson's  
condition. Many fancy his prelim-  
inary work shows slowness, Johnson  
seeming content always to remain on  
the defensive, cutting loose only  
when his sparring partner happens  
to land a stinging blow. Others  
maintain that the champion is deter-  
mined not to overwork during the  
remaining few days. Today he  
worked for the moving pictures.  
Hereafter he will content himself  
with shadow boxing.

### RENO "WIDE OPEN" AND EASTERNERS CROWD CITY

RENO, June 29.—Reno is wide open  
today. The gambling resorts are  
jammed and easterners are looking  
for experience around the green ta-  
bles. Every train brings hundreds.  
The town is fight crazy.

CHICAGO, June 29.—Two long spe-  
cial trains bound for Reno left here  
today, carrying Chicago, Detroit, Phil-  
adelphia and Pittsburgh sports, who  
will be housed in Pullmans during  
their stay.

### DIRE SLAUGHTER OF MOROCCANS BY FRENCH SOLDIERS

TANGIER, Morocco, June 29.—  
Couriers report the slaughter of 1300  
natives in a battle with French troops  
in the Tadla district on June 23. The  
French losses are reported as slight.  
Details are unavailable.

### AGAIN HEARINGS IN TWO MEXICAN CASES CONTINUED

Justice Smithwick this afternoon  
continued the hearings of Jesus Mar-  
quez and Antonio Garcia, charged with  
assaults with a deadly weapon upon a  
Talbert Mexican named Lopez, son-in-  
law of Marquez. The continuances  
are to Friday. Romero of Huntington  
Beach has been appearing for Mar-  
quez and Garcia, and has secured two  
continuances, in which the district  
attorney's office acquiesced. This af-  
ternoon Attorney Rutan came into  
court with Mrs. Garcia, a one-legged  
woman hardly able to move about, and  
tried to get Garcia's hearing at once.  
The question came up as to who Gar-  
cia's attorney is, and evidence was put  
on to show that Mrs. Garcia had paid  
Romero fifty cents retaining fee. Ro-  
mero is not an attorney, but has ap-  
peared in two or three cases at Hun-  
tington Beach.

Rutan says he thinks Garcia is only  
a witness and not a principal, and  
wants to get Garcia out of jail to take  
care of the crippled woman. Garcia  
consented to the continuance.

### JUDGE ALTON PARKER JUST MISSED BY BULLET

NEW YORK, June 29.—Al-  
though nearly struck by a bul-  
let fired by Plato Jerry, a ne-  
gro, Judge Alton B. Parker, for-  
mer Democratic candidate for  
the presidency, today refused  
to swear out a complaint. The  
negro fired at a street car con-  
ductor with whom he had an  
argument, and narrowly missed  
Parker.

## DR. B. C. HYDE TO RECEIVE SENTENCE TUESDAY

Life Imprisonment Will be Im-  
posed for the Murder of  
Colonel Swope

### JUDGE LATSHAW DENIED MOTION FOR NEW TRIAL

Epitome of the Trial by Judge  
Showed Motive for Crime  
to be Avarice

KANSAS CITY, June 29.—  
Dr. Bennet Clark Hyde will be  
sentenced next Tuesday to  
serve the remainder of his life  
in the penitentiary for the mur-  
der of Colonel Thomas Swope,  
the multi-millionaire philan-  
thropist. Dr. Hyde's attorneys  
had exhausted every means to  
avert the sentence. Judge  
Latshaw overruled the motion  
of a re-trial.

Hyde will remain temporar-  
ily in the county jail here to be  
near his wife, who is about  
to become a mother. The court  
has refused a temporary re-  
lease on bail.

Judge Latshaw epitomized the trial  
of Dr. Hyde by saying:

"The evidence demonstrated the ex-  
istence of a plot. The different man-  
ifestations of that plot were so treated  
that they disclosed common motives,  
prompted by avarice and cupidity. The  
ultimate design was to obtain the de-  
ceased's vast fortune by eliminating  
all human obstacles as pawns on a  
chess board."

The defense has filed an appeal to  
the state Supreme Court and it is be-  
lieved the appeal will be granted.

## SWIMMING LESSON FATAL TO THREE

Two Midshipmen and Woman  
Lose Their Lives in Chesapeake Bay

ANNAPOLIS, June 29.—The bodies  
of Midshipmen Nason and Thomas and  
that of Mrs. Bowyer, a widow, were  
found close together in Chesapeake  
Bay today. Their clothes were in a boat.  
It is known the men had planned  
to teach the woman to swim. It is  
supposed all were drowned in trying  
to save her during the lesson.

## QUAKES RECORDED BY SEISMOGRAPH

CLEVELAND, June 29.—Two earth-  
quakes were recorded by the St. Ign-

Orange, Cal., June 25, 1910.

To the Board of Directors of the S. A. V. I. Co.

Gentlemen:—Work done during the month is as follows:

On ditch T, have laid 410 feet of 24-inch pipe and put in two gates. On ditch TT, have laid 1960 feet of 16-inch pipe and put in four delivery gates.

Have made 1708 feet of 30-inch cement pipe.

Have put in five 24-inch iron shut-off gates on ditch I and one 18-inch on II.

On main canal have recovered bridge No. 5 with new lumber and put in new stringers on No. 7.

Have cleaned the moss on the lower bank of main canal from gate No. 6 to sluice gate No. 7.

Have confined the water in a narrower channel below the division gate for about a quarter of a mile as the channel was so wide it caused considerable loss of water by evaporation.

Have cleaned ditch OO and ditch A, north of creek.

Have received and stored one carload of Colton cement.

All of which is respectfully submitted.

J. A. SMITH, Superintendent.

The treasurer's report was received and filed.

Co. were instructed not to run any water to Stella May Preble on the 9 shares represented by certificate No. 7107.

On motion, the secretary was instructed to notify the Orange County Title Company, trustee, that the S.A.V.I. Co. will not transfer the stock to them as requested on land on East

Seventeenth street recently transferred to them by the county of Orange, because the water stock has been expressly excepted from the conveyance of the land and acquiesced in for more than 10 years.

An application was received from J. A. W. M. and C. H. Jackson to have the water stock unlocated from the south 50 feet of lots 3 and 10, block B, of Swanner's addition, represented by certificate No. 6551, being 40-100 of a share, and on motion, the same was granted and the secretary instructed to issue unlocated stock in lieu thereof upon the applicant filing with the secretary the proper recorded disclaimer.

A communication in regard to weeds on ditch N was received from R. K. Bishop, and referred to the superintendent.

On motion the president and secretary were instructed to draw a warrant in favor of A. E. Cox for \$3000 in payment of a note due January 11, 1909, to said A. E. Cox.

On warrant, the president and secretary were instructed to draw a warrant for \$16.50 in favor of C. A. Peake to refund amount paid in for a gate that could not be constructed.

On motion, the superintendent was instructed to cover the gate at the corner of Culver avenue and Shaffer street on ditch N.

Adjourned to 1 p.m. Resumed session at 1 p.m.

As per notice of assessment No. 43, levied March 26, 1910, the secretary offered for sale the stock which was delinquent on account of failure to pay assessment No. 43.

D. C. Drake was appointed to buy in said delinquent stock for the S.A.V.I. Co. and as each parcel of stock was offered said D. C. Drake bid in the same for the S.A.V.I. Co.

On motion, the following resolution was adopted:

Resolved, That the record owners of property from which the water stock was sold to the S.A.V.I. Co. on

account of failure to pay assessment No. 43, be permitted to redeem same at any time on payment to the secretary of all arrearages, assessments, costs and interest, which have accrued between the levy of said assessment No. 43 and the time or redemption as required by Rule 14 of the S.A.V.I. Co.

On motion, the president and secretary were instructed to draw a warrant for \$300 in favor of C. D. Leach as payment on contract of constructing pit at the pumping plant No. 2.

Moved and carried that the president and secretary be instructed and authorized to sign and place the S.A.V.I. Co. seal thereon, the new contract with the Southern California Edison Company for power, and also the contract for the installation.

Adjourned.

O. E. MANSUR, Secretary.

## BOY DIES OF HEMORRHAGE

He Was on Way to Stevens Ranch Above El Toro When the End Came

Angelo Vesetin, aged 17, died beside a small stream a short distance from El Toro yesterday morning. His body was brought here yesterday afternoon by Coroner G. S. Smith. Death was due to hemorrhage of the lungs.

The boy had recently been ill of pneumonia in Los Angeles, where he was living with a man named McClintock. McClintock had correspondence with Milo B. Stevens, and following it the boy started for the ranch, where it was agreed he should do light chores for his board while he grew strong.

Young Vesetin was met at El Toro as he stepped from the train, by Mrs. Ella Stevens and Mrs. Agnes Borden. As the three were riding toward the Stevens ranch, which is above El Toro, the hemorrhage set in. The horse was hastened to a place where water could be obtained. The lad lived about twenty minutes.

He has a brother working in La Habra Valley. He is of Spanish descent.

## What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, and dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Barbancow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. ### TWO VIEWS

"The patriotic citizen can almost always best perform his duty to his country by being faithful to his party." —Chronicle.

"The black shadow of party regularity as the supreme test in public affairs has passed away from the public mind." —Gifford Pinchot.

Two views, one from a man of vision, of ideals, and of practical genius, the other from a newspaper of shallow, cynical insincerity. It will not take long to choose between them.

As a matter of fact, wherever the party system is carried to its logical completion, the obligation is not on the people, to stick to the party, but on the party, to hold the confidence of the people. A man can best perform his duty to his party by being faithful to his country. And a party can best deserve victory by following the course which the majority of the people approve. We must have parties; there seems to be no other method of organized action. But if parties are to be useful, the individual citizen must vote independently. Then the minority party, if it has any hope of gaining anything by nominating good candidates and advocating good principles, is encouraged to do so. And the majority party, if there is any risk of losing by nominating bad candidates and espousing wrong principles, will be afraid to do so. The "disciplined voter" is useful to a party, considered as a mechanism. But the independent voter is the very life of a party considered as a vital organism. —Fresno Republican.

### BEWARE! BEWARE!!

Although Santa Ana is not going to celebrate the Glorious Fourth in any formal manner, there will undoubtedly be considerable use of fireworks and noise-making explosives. And Huntington Beach and East Newport and Balboa are advertising "celebrations."

On the Fourth of July, 1909, 215 boys and girls were killed outright in celebrating our national holiday and 5307 children and grown people were maimed for life by the same means. Two hundred and fifteen new-made graves, over 5000 cripples testify to the folly and criminal carelessness of municipal officers and foolish parents. To the sentiment "let the boys have a good time," is due the awful shadow that will always hang like a pall over thousands of households of this country. And it is a yearly total that is taken of life, limb and eyesight. How much of it will Orange county contribute on the coming Fourth? For the sake of the boys and girls let us try and make the annual natal day safe even though we cannot make it sane.

### LET CHARLTON GO

The Italian government has taken the right stand in the Charlton murder case, to the effect that his crime is not one against the Italian people in particular, but against society as a whole. The argument is that it does not become this or any other government to stand between such criminals and the law. By doing so we encourage just that kind of crime, and the evidence shows that it needs

no encouragement. He having confessed to the awful deed, we ought not to hesitate for a moment to send him back to the jurisdiction of his crime where alone he can be made to pay the penalty for it. The fact that powerful influences are at work in his behalf ought to hasten rather than retard action, so that it may be shown to the world that this country is not weak in dealing with criminals.

### Our Washington Letter

WASHINGTON, June 29.—When President Taft, with the golden pen of Postmaster General Hitchcock and the long eagle quill of Delegate Andrews of New Mexico, wrote "William H. Taft" upon the statehood bill he put at an end a quarter century of worry for the holders of the bonds of Pima county, Arizona, and wound up one of the most complicated financial romances that has puzzled legislators here for many a day.

Back in the early days of Arizona, the residents of Pima county were ambitious to have a railroad constructed from Tucson, the county seat to Globe, Arizona, the locality of a great mining field. Accordingly the territorial legislature passed in 1882 a mandamus act requiring Pima county to issue county bonds to be exchanged for railroad bonds in the construction of this road.

According to the statements of the Hon. Mark Smith, former delegate from Arizona, who appeared before the Senate committee on territories during the recent statehood hearings, the site for this railroad was graded with a plow for 10 miles out of Tucson. Ties were laid at intervals of about 20 feet, the rails were tied to the ties and that finished the building of the Tucson-Globe short line.

The supervisors of Pima county duly exchanged county bonds sufficient to cover the building of the ten miles and placed the rest of the bond issue in the safe of the courthouse. These bonds were taken from that safe, though no one knows how or by whom, and were next seen being floated as high grade securities around the New York market.

Then came the trouble. The citizens of Pima county resisted the payment of the bonds and the case was fought to the Supreme court of the United States. The bonds were sold by a well known New York bonding house which evidently had bought them in good faith and had resold them to their customers with all the guarantee that their firm name implied. The bond house, to clear itself, took up the cause of the bond holders. The Supreme court decided in favor of Pima county and held that the bonds were never valid.

The bond holders then took the usual alternative and went after Congress to pass a law validating the bonds. Sonorous arguments of saving the people of Arizona from becoming known as repudiators, and thus impairing their credit, were brought to bear by the bond holders upon congressmen. For years Congress refused to take action. Mark Smith was one of the most determined fighters against saddling Pima county with the debt. Insistency, however, told, and one year (it happened that it was the only session when Smith was out of Congress for years before and after this fight) Congress yielded to the bond holders and validated the bonds by a special act. Later the Supreme court decided that in view of the act of Congress the bonds were valid. The bond holders, however, were never able to get their money or the interest on it.

When the statehood bill came up this session therefore, the bond holders were there with their best foot forward. The Senate listened to them and gave the bond holders a sufficient grant of land to pay the bonds at par with interest.

Reports from all over the West, received by the Reclamation Service at Washington, indicate an unusually heavy movement of homeseekers this spring. Train loads of settlers are pouring into Montana, Oregon and Washington, and large numbers are seeking the regions of milder climate in the southwest. A feature in connection with this movement of homeseekers is the return of thousands of Americans from Canada.

The recent cold wave which was so

disastrous to fruit in the Mississippi Valley and in the south did not extend to the far west, where the fruit growing districts are predicting record crops, with promise of high prices. All the important irrigated valleys report favorable crop conditions with a steady increase in land values. Extensive railroad building is now going on in Montana, Idaho, Washington and Oregon.

In Oregon a virgin empire is soon to be made available for settlement by the construction of numerous lines penetrating a region which is largely public domain. It is estimated that an area of 12,000,000 acres in Oregon alone soon will be made available. The great plateau region of that state with its splendid forests, its beautiful lakes and valleys, its broad stretches of uplands whereon dry farming may be successful, and its hundreds of thousands of acres of lands, which, with irrigation, will become productive, are even now the mecca for home-seekers from all parts of the country.

On the reclamation projects in all the states the influx of settlers is rapidly increasing, and the industry of those who have located is evidenced by the broad fields of alfalfa and grain, and in the hundreds of attractive and prosperous homes. At the present rate of settlement every farm unit included in the government projects thus far completed will be taken up before the end of the year. On nine of these projects not a single acre of public land remains un-entered and the remaining projects do not contain, all told, more than 800 farms now available for settlement.

Construction work on the several projects is being pushed as rapidly as funds will permit to make ready for the settlement by next fall or early spring of additional areas for the great army of homesteaders.

President Taft, at the request of the American Association for Labor Legislation, has referred to the Interstate Commerce Committee of the House the question of prohibiting the use of phosphorus in the manufacture of matches in the United States.

This element is a cause of much disease and suffering among the workmen and the United States is the only large country in which its use is not prohibited.

President Taft referred the matter to the Department of Commerce and Labor some time ago, which recommended that the action be taken. Special legislation will be required to this end. There may be opposition on the ground of Federal regulation of manufacturing industry, but it is believed that authority exists under the Interstate Commerce Law to enable Congress to bring about the reform.

### W. C. T. U. Outdoor Meeting

Santa Ana W. C. T. U. held an exceedingly pleasant meeting yesterday afternoon at the home of the president, Mrs. Lea Warren, 814 Parton street. The meeting was held on the lawn and a large number of ladies and children were present.

This was the last regular meeting before the usual summer vacation and was a mothers' meeting. The subject was "Mercy," and the program was in charge of Mrs. Albert Finley, superintendent of that department who had prepared an interesting program. Mrs. Finley read a paper on the subject and Mrs. Warren read an article on vivisection. Mrs. Hill made a short talk on the latter subject. Dedie Ramsey gave a recitation and Helen Hargett gave a reading entitled "The Horse's Prayer." Mrs. Finley had passed around a number of clippings which were read and discussed. Mrs. Hill gave a talk on the different ways we can do good along the line of mercy. The program closed by all singing a mercy song, to the tune of "Home, Sweet Home." Mrs. Finley gave each one present some interesting literature on this important literature.

The W. C. T. U. is always planning to do some one some good, and yesterday voted to secure a lot at the beach, and put up a tent, furnish it, and allow it to be used free by people who are in poor health or in need of rest and recreation. The committee who have this in charge are Miss Kerl, Mrs. Belle Rogers and Mrs. J. N. Anderson. The furniture will be secured by donations from persons who see fit to offer anything they may wish to the committee along the line of plain furniture such as cots, beds, mattresses, stoves, bedding, dishes, cooking utensils, or anything that may make the tent comfortable. Any one wishing to make such a donation may inform Mrs. Belle Rogers, 1010 Ross street, Home phone 351, or any other member of the committee. There are many persons who are not able to take a needed outing to the beach. Let us add a little mite of pleasure to their lives by making a contribution to this tent.

The county president, Mrs. E. B. Norman, announced that the executive and Institute would be held at Newport Beach the third Tuesday in July.

There will be a silver medal contest at Garden Grove this evening in which the business men of Garden Grove will take part. This will certainly prove a very interesting entertainment.

The next W. C. T. U. meeting will be held in Birch Park, Sept. 13, and the committee in charge comprises Mrs. Frambes, Mrs. McReynolds, Mrs. Titchener and Mrs. W. A. Irvine.

Following the business meeting a most pleasant social hour was spent under the trees where fruitade and small assorted cakes were served by the committee, Mrs. E. H. Prince and Mrs. Ramsey, assisted in the entertainment.

### A Tin Wedding

Monday night a jolly party gathered at the home of Mr. and Mrs. Howard A. Wassum of East Depot street, the occasion being the tenth anniversary of their marriage. Ye Auld Lang Syne Club and a few outside friends were bidden by the "bride and groom" of ten years to come early and have a royal time. The bride was dressed in her wedding gown and slippers.

Shasta daisies were used in great profusion in the parlor and dining room. Vases and jardiniere were wrapped in tin foil, and tinsel and plumous fern on the chandeliers carried out the suggestion of a tin wedding. Games in keeping with the same idea were played. First prizes were won by Professor B. F. Beswick and Mrs. Harry Newsom, while consolation prizes were won by Edward Chaffee and W. B. Harper. Some

very serviceable and pretty presents as well as "joshes" were received.

Later in the evening all the guests were seated at the table arranged under a large walnut tree in the rear of the house, where they partook of a delicious four course supper.

Besides the host and hostess those present were Messrs. and Mesdames W. B. Harper, Will Newsom, Edward Chaffee and Mrs. W. D. Finn of Garden Grove, Mr. and Mrs. W. A. Henry, Miss Ada Henry and Miss Ethel Miller of Los Angeles, Mr. and Mrs. Harry Lewis, Mrs. G. Griest, Mr. and Mrs. Chas. Boyer, Mr. and Mrs. A. S. Davis, Mrs. S. A. King of Tustin, B. F. Beswick, H. C. Head, R. P. Mitchell and Miss Percy Head of Santa Ana, Mr. and Mrs. J. C. Kelly, Misses Edith and Bertha Kelly of El Modena, Mr. and Mrs. Ed. Johnson of Rivera, Mrs. Ina McClay of San Pedro, Mrs. D. E. King, Myford, Miss Henrietta King, El Toro.

In the course of the evening a telephone message was received from Dr. W. B. Hill and wife of Long Beach, who were "unavoidable detained, extending congratulation and good wishes to the bridal couple, also greeting to Ye Auld Lang Syne Club.

### Delightful Recital

An interested and appreciative audience filled the auditorium of the First Congregational church last night to hear Mr. Alan A. Revill in his first pipe organ recital in Santa Ana, and to listen to those well known and favorite singers, Mrs. Ella I. Fyfe and Clifford Johnston. The beautifully toned organ re-

### Birthday Party

A delightful children's party was given yesterday afternoon at the home of Dr. and Mrs. H. M. Robertson, 1317 North Main street, for their little daughter, Louise, whose ninth birthday was the occasion of the pleasant function.

A pleasant hunt and many merry games kept the little ones amused during the afternoon. Cute prizes were awarded the peanut hunters, Vera Thompson getting a pretty doll for finding the greatest number, and Daisy Hall the consolation prize, a miniature wash boiler for boiling dolly's clothes.

A beautiful birthday cake with nine candles and Miss Louise's name on it in confectionery letters, charmed all the childish eyes as the children gathered for refreshments of cake, ice cream, sandwiches and cocoa. The little ones invited for this good time with the birthday honoree were Daisy Hall, Enid and John Twist, Gwendolin Hoyle, Vera Thompson, Gertrude Houston, Ruth Brinsmead, Madeline Keech.

### Opening of Bell Theater

The opening last night of the new moving picture show, known as the Bell Theater, in its brand new quarters on North Main street, was quite an amusement event. The house was crowded, extra chairs having to be supplied to seat the late comers.

The program of pictures and music was excellent and the folder programs were pleasing to the audience. The music by the Reeves orchestra, including instrumental numbers and vocal solos by the young ladies of the orchestra, who sang so pleasingly that they were obliged to respond to encores.

The auditorium of the cosy new theater, located in the room formerly occupied by Mills and Winbiger, is very tastefully furnished and decorated, with a small balcony helping out in space. Judging from the program and audience of last night, the only trouble the Bell Theater people will have will be that of providing for the crowd that will desire to attend the performances. The pictures were wholesome and clean and the music inspiring.

### To Make Santa Ana Their Home

Mrs. L. P. Henrickson and three daughters, of Orchard, Iowa, arrived here last Friday by way of the Southern Pacific. Mr. Henrickson and son came with the car of household goods, et cetera, some weeks ago. They have been visiting at the home of Mr. Henrickson's sister, Mrs. L. E. Case of Mortimer street, until they can occupy their new home, the Blair cottage on North French. Mr. Henrickson is the father of A. B. Henrickson.

## THEY DRIFTED IN CHANNEL

Mrs. A. E. Towner and Daughter  
Xarifa Members of Party  
Having Trying Experience

Mrs. A. E. Towner and her daughter, Miss Xarifa Towner, mother and sister of Fred H. Towner of Santa Ana, former residents of this city, were members of a party that drifted for fourteen hours in a disabled launch in the Catalina channel and for ten hours more were stranded upon the shore of a lonely cove without water. The party was rescued by the sloop Austria of San Pedro and all were taken to Avalon, excepting for colds and nervous shocks none the worse for their terrible experiences.

Miss Towner is a student in the U.S.C. art school, and the party was made up largely of students from that school. Mrs. Towner and Miss Towner are living at Garvanza.

The party started on its trip Monday morning. The engine broke down, and oars were used to get the launch within reach of the shore, from which point ropes were used to get the women ashore. A fire was built of drift wood. The suffering for lack of water was intense.

## COUNTY MAKES MONEY ON ITS LIQUOR CASES

When District Attorney Davis was seen at the courthouse this morning, he was asked about the total amount collected as liquor fines during the past three and a half years, as shown by the records of his office. The amount as shown is \$3715, and Mr. Davis said that the net amount remaining in the county treasury after paying all the necessary expenses of the prosecution of the liquor cases was \$2000.

The district attorney has kept an account of the expenses of each case, and the total expense of the cases prosecuted, and the expense of securing evidence in other cases where there was no prosecution on account of insufficient evidence, has in all amounted to \$1715, thus leaving a large net balance in the county treasury. The tax payer has not been required to pay any of the expenses connected with the liquor cases, as the violators of the law, by the payment of fines, much more than paid all expenses.

The total number of misdemeanor cases prosecuted was 310 in all the various justices' courts in the county. A very large percentage of these resulted in the conviction of the defendant, either after trial or on plea of guilty.

## WOMAN'S WOES

Santa Ana Women Are Finding  
Relief at Last

—It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. J. Levengood, 928 West First street, Santa Ana, Cal., says: "I can still speak in praise of Doan's Kidney Pills, and I willingly corroborate the public statement I gave in March, 1907, regarding my experience with them. At this time I can say that I have had no need of a kidney medicine since taking Doan's Kidney Pills. They cured me of many disagreeable symptoms of kidney trouble and restored me to good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

—The Arnott orchard cultivator is made in California for California orchards. 5 and 6 foot cut. No neck weight on team. J. C. Williams & Son, Orange.

## FUNERAL OF MRS. WIGHTMAN TO BE TOMORROW

The funeral of Mrs. Isabella P. Wightman, who died yesterday at the age of 90 years, will be held on Thursday, June 30, at 2 p. m., from the residence of her daughter, Mrs. Geo. B. Warner, corner Tenth and Bush streets, Rev. J. H. Garnett officiating.

**Removal Notice**  
—S. W. Smith & Son, undertakers, have removed to their new quarters at the corner of Broadway and Sixth streets.

**Bell Theatre Opens to Crowded House**  
There was an immense crowd at the opening of the Bell Theatre last night. If they continue to give as good shows as they did last night, there is no doubt but that the "Bell" will be the most popular show in Santa Ana.

The programs were a novel feature and every one was interested in finding the mis-spelled word.

The Reeves orchestra and their two singers responded to many encores.

**Died Yesterday**  
Edward Harrison, father of Mrs. C. W. Burns, died yesterday at San Diego. Mrs. Burns was present at the bedside. Mr. Burns and J. G. Quick go to San Diego today. The remains are to be shipped to Springfield, O.

**LOS ANGELES PRODUCE MARKET**

Arrivals in the produce markets were fairly large and the demand practically cleaned out the supply. Peaches and apricots continued to come in large quantities, and both were handled at exchange prices, the former being quite active at 90 and the latter in considerable demand at 65 cents a box. Malaga grapes were quoted at \$1.75 a crate. There were a few Burbank plums at \$1.00 a box. Comparatively large shipments of cantaloupes failed to hold the pony variety down to \$1.40, the price of Monday, and there was a considerable demand at \$1.50. Jumbo cantaloupes sold at \$1.25 and Standards at \$1.75, the latter price being advanced several cents. There were some black figs at \$1.25. Cherries were practically all out of the market. Berries came in fair shipments. Blacks sold at 5 cents, Loganberries at 5 cents, raspberries at 6 1/2 cents, and strawberries at 4 cents.

There was a large shipment of green corn, which sold at 65 cents a box. Hothouse celery also came in good quantities. It was handled largely at \$1.35. Cabbage sold at \$1.10. Lettuce was marketed at \$1.00 a crate. Chili peppers were held at 10 cents, and the bells at 15 cents. Quotations on local eggs and butter were unchanged. Receipts in eggs were 182 cases, which was considered light. Arrivals in butter were heavy, being 78,296 pounds, as compared with 16,888 pounds on the previous day. In San Francisco butter was selling at 29 cents and eggs at 27, and both were firm.

Cheese receipts were 21,926 pounds, as compared with 3095 pounds on Monday. Monday's prices prevailed in the large sellers.

Potato arrivals were 697 sacks. New potatoes were sold at \$1.15. There were very few old potatoes to be had. Apple receipts were light, there being only 34 sacks. Bean shipments were good, there being 1800 sacks.

The fish markets were comparatively quiet.

for the Republican nomination for associate justice of the Supreme court, last night delivered a lecture on "A Man's Job." The lecture was delivered at the First Methodist church under the auspices of the Men's Club of that church.

Judge Wilbur drew from his experiences in speaking of the problems of intemperance, the social evil and graft.

"To handle these problems is no small task," said he, "it is a man's job." He said that progress can be made if all men who believe in right living and right doing stand together for a positive reform.

He gave instances of girls led astray, of evil that receives police protection, showing how graft and the social evil are more than likely to go hand in hand.

He took an optimistic view of the situation, believing that the white slave trade will be broken up by men who are against it.

## DEAN TO REPRESENT CITY IN CONTEST FOR CONVENTION

H. G. Dean is going to the state Christian Endeavor convention at San Jose as a representative of Santa Ana to help in the work of securing the 1911 convention for this city. He will appear before the committees and convention to make a plea for the project. Secretary Willson of the Chamber of Commerce, yesterday turned over to him 700 booklets illustrative of Santa Ana, for distribution among delegates at San Jose.

# ROY K. BISHOP IS CHAIRMAN

New State Organization of  
Horticultural Commis-sioners

The supervisors and horticultural commissioners from Southern California, who attended the inter-county conference in Sacramento are returning home enthusiastic over the results obtained and in prospect.

After the regular meetings, a special session was held by the representatives and an organization was made, to be known as the State Association of County Horticultural Commissioners. The chairman of the association is Roy K. Bishop of Orange county, and the secretary is H. P. Stabler of Sutter county.

An executive board of seven members was appointed, including the state horticultural commissioner and his two chief deputies as ex-officio members. Meetings of this new organization will be held annually, and it is planned to have semi-annual sessions. The object is to afford a means whereby the commissioners of each county may keep in touch with the conditions existing in other counties of the state, and to be posted on the various pests to be guarded against.

A variety of topics were discussed at the regular meetings, but perhaps the most important one, and the one which sounded the key-note of all the meetings, was "The co-operation of the supervisors and county commissioners for the better enforcement of horticultural law." Many provisions were recommended in regard to questions of quarantine, and these will be submitted at the next session of the legislature.

An interesting feature of the meeting was the fact that it was shown what work has already been accomplished in the northern part of the state. The commissioners have done an untold amount of good in their fight against the noxious crop-destroying weeds that infested the northern and central portions of the state.

Horticultural Commissioner Cunn-

diff of Riverside is especially enthusiastic over the beneficial results of the convention, and predicts that under the new law providing for a one-man commissioner instead of the old system of a board, and the strict requirements of the examinations will prove a wise move. With the spirit of co-operation that exists, and the methods of keeping posted with the various conditions of the state, the pest problem will be greatly simplified.

## Y. M. C. A. CAMPERS AT MODJESKA RANCH

Yesterday's Long Beach Press says:

The last party of Y.M.C.A. campers left at 7.30 this morning for Modjeska ranch, to enjoy a two weeks' outing.

Fourteen automobiles have been secured to convey the campers to their destination. One auto containing fourteen boys left last evening at 5 o'clock. Many of the boys' parents are contemplating a visit to camp on July 4. A special dinner has been planned by the members of the association in their honor.

# Best Grade of Sulphur For Bleaching Fruit

We can supply you with any quantity of the best grade of sulphur on the market. As much or as little as you want. Our sulphur was bought under an absolute guarantee, but we don't ask you to take our word for its quality.

We will be glad to give you a burning test before you buy, or will supply you with samples to test at your convenience.

That's the only sure way of determining the quality.

Pure sulphur is free from all impurities. It ignites quickly and burns freely and evenly until every particle is consumed, leaving no ash or other substance.

Any one can test it as outlined above, and our guarantee is back of it. Let us supply your sulphur for this season.
